AVIVA STADIUM

The table is set, the bar is open.

Now all that's left is to enjoy the night.

This December, Aviva Stadium sets the scene for three spectacular shared Christmas party nights.

Arrive to a warm festive welcome of mulled wine and canapés, before settling in with your colleagues for a three-course festive dinner in the Presidents Area.

Then the evening moves up a gear. Music Bingo gets everyone involved, before Soul Fusion Live brings DJ, live saxophone and percussion to the party.

And when the live set finishes, our resident DJ takes over, keeping the music going and the bar open late.

Make it a night to remember.

A shared Christmas celebration with your own group seated together, surrounded by festive décor, great music and the atmosphere of a room full of people celebrating.

All you need to do is turn up.
