In relation to the minutes it was agreed that the policy of putting draft minutes up on the website would continue to be implemented.

3. MATTERS ARISING:

RG apologised that he had not set up a meeting with Mr Paul Meany of Marian College in relation to the sports hall. Meeting to be set up by RG and to include both JMcC and AG.

MM confirmed that there were no actual bike parks around the stadium. Any such parking facilities would need to be outside the cordon. DL undertook to send BH a note of possible locations outside of the cordon.

4. OPERATIONS UPDATE:

MM apologised for having to cancel the December meeting due to illness.

MM outlined upcoming fixtures as follows: -

- 2 February: Ireland v England rugby international
- 10 March: Ireland v France
- 26 March: Ireland v Georgia
- 30 March: Heineken Cup Quarter Final Leinster v Ulster

MM also noted that arrangements continue apace for the four Euro 2020 matches to be played in Dublin. He also noted that upgrading work would be taking place in relation to both the floodlights and the pitch – both in the coming year.

5. COMMUNITY FUND:

RG said that there were still a number of projects to draw down their funding for the last year. He said that he would be writing out to same with a view to getting a date for the draw downs. As previous years should the project not be in a position to draw down the money then the money will be put back into the overall fund. Any such recipients will, of course, be notified that they can reapply.

RG confirmed that notification has gone out to all relevant bodies in relation to the 2019 Fund. Deadline for submission of applications is 17 March.

RG also noted that NewsFour had undertaken to publicise that the fund was now open for applications.

6. ANY OTHER BUSINESS:

JMcC noted that they would be drawing down the monies in relation to GDPR. He noted that a seminar in relation to same was taking place the following day, Wednesday 30 January.

MM confirmed that planning permission had been received for the proposed mural previously discussed. He said he would keep all updated in relation to progress on same.

JMcC said that he believed that inclusiveness of the wider community should be, where possible, a factor in all funding. RG to look into same.
